Sir:

In response to the Notice of Allowance and Issue Fee(s) Due and the accompanying Notice of Allowability mailed November 5, 2003 by the U.S. Patent and Trademark Office, Applicants submit herewith an Issue Fee Transmittal - Part B. The Issue Fee Transmittal - Part B indicates in section 2 that Jones Day is the firm to be printed on the patent front page. Applicants also submit concurrently herewith a Power of Attorney or Authorization of Agent with Statement Under 37 C.F.R. 3.73(b) signed by an officer of the assignee whereby the assignee, New York University, revokes all previous Powers and appoints Jones Day as its attorneys or agents to prosecute the above-identified application. Applicants also submit concurrently herewith a Change of Correspondence Address for the above-identified application.

It is estimated that no additional fee beyond that of the issue fee is required. In the event an additional fee is required, please charge Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Geraldine F. Baldwin
